

INTENDED USAGE:

The *KING Shower Mat* are meant to be used as a coating for the shower tray. The rough surface increases the adherence with the floor, while the warm and soft material reduces the discomfort and insecurity due to the direct contact with the cold and smooth surfaces of the shower tray. The certified antibacterial properties of the composing material limit their proliferation, making the use suitable for humid and wet environments. The mats promote the user's independence while showering, making the support surfaces less slippery, facilitating their use in standing position.

INDICATIONS AND CONTRAINDICATIONS:

The KING Shower Mat is aimed to elderly people, people with reduced mobility and to all those who feel insecure while and need more stability while taking a shower in standing position. For a safe and autonomy use of the mats, the user is required to have sufficient ability to move and keep the standing position.

SAFETY WARNINGS AND INDICATIONS:

- If the user has mobility problems or suffers from balance disorders, we suggest to ask for assistance while showering.
- Do not modify the shower mat in any way.
- During the sitting and standing stages, the sliding risk may increase due to wet floor.
- The shower mat must not be stored outdoor.

MAINTENANCE INFO:
